

EBay Services of Texas

www.ebayservicesoftexas.com

EBay posting services provided

**We post and sell your items on EBay
Saving you time and making you money
No Hassles, No Risks!**

Our Services Include:

- Researching item's background, history, details and potential value
- Verify the condition, working order and authenticity of the item
- Provide our findings to you for approval and final go ahead
- Take professional digital photographs in our photo studio room
- Select and edit the photos for posting and viewing by potential buyers
- Prepare a detailed description and prepare a professional eye-catching listing
- Estimate packaging, shipping, handling and insurance costs for bidders
- Choose appropriate categories, listing options and auction timing
- Post the listing and review to begin the auction of your item
- Monitor and respond to item watchers, bidders and emailed questions
- Provide status reports of the auction to seller when requested
- Verify that bidders meet bidding/purchasing guidelines
- Process and certify payments received from the auction winner
- Package and ship your insured item to the winning bidder
- Verify item is delivered and there are no questions or problems
- Prepare your item/s payment for delivery to you

Result, a very satisfied EBay Services of Texas customer!

Note: Extensive Equipment Testing, Certificates of Authenticity/Verifications, Appraisals, Cleaning, Repairs, Etc. may incur additional expenses and require customer approval!
